Getting started with Adsum Capital

Getting started with Adsum Capital is easy. Simply contact Allan to arrange a meeting.

To ensure that this meeting covers all aspects of your financial management we ask that you complete the Fact Find and Risk Tolerance assessment. Ideally, this should be done a few days before we meet with you. This gives us the opportunity to review your information and prepare ourselves well ahead of our initial meeting. The Fact Find asks for an extensive amount of information and it may take time to gather it. Please take the time to do this. Alternatively, we may complete this together or record our video meeting and send you the summary.

We also appreciate a copy of the most recent accounts and tax returns for you and any related entities such as a trust or a self-managed superannuation fund.

Please provide us with any other information that you feel is relevant to your circumstances.

Delivery of Advice

Once we have met and determined a draft plan for you, we will prepare a 'statement of advice' or "SOA". The SOA will be in writing and will be delivered to you via email and if you agree to receive the SoA in this manner. A paper copy may also be presented in person or via post as requested. Your SOA contains the information needed to understand our advice and the basis on which it is made. It includes information about:

1. the specific advice;
2. the reasons for the specific advice;
3. any fees;
4. any associations or relationships that may influence the advice;
5. the implementation plan; and
6. any other relevant matters.

We will also provide other documents as needed. These documents may include educational material or PDSs, as discussed above.

Record of advice

Once you have been provided with a SOA further advice may be provided in a form known as a record of advice or "ROA", provided there has been no change in your personal circumstances or the basis of the advice set out in the SOA.

Retention of SOA and ROA

We retain all SOAs and ROAs for at least seven years and you may request a copy of the SOA or ROA at any time within that period. This request may be verbal or in writing.

Implementation of advice

Our statement of advice will contain instructions on how the advice should be implemented. We will work with you to ensure that the advice is properly implemented.

Time limits and responsibility for implementing our advice

You should not act on any recommendation after thirty days of the date of the statement of advice without our written confirmation that our recommendations are still suited to you.

If you propose to implement the recommendations more than 30 days after the date of this advice, you will need to contact me so that I can review your circumstances to ensure that the advice is still appropriate.

Our fees and other charges: who receives the fees?

Adsum Capital will receive all fees and commissions in respect of advice provided by Allan.

Adsum Capital will pass on the majority of those fees and commissions to Adsum Wealth Pty Ltd.

Allan is paid a salary by Adsum Wealth Pty Ltd.

Allan will provide you with full details of all fees before doing any significant work for you. Fees will be explained in your meeting and detailed in a statement of advice. Allan will also provide you with a detailed breakdown of ongoing fees on an annual basis in a fee disclosure statement.

Our fees and commissions: how are they calculated?

Our remuneration may include:

1. Initial advice fee paid by you; and/or
2. Ongoing advice fee paid by you,
3. Commissions on Life Insurance products paid by the life insurance company

Our fees are calculated as follows and may be a combination of;

1. fees paid directly by you, based on time, the amount invested or some other agreed criteria; and/or
2. a set dollar amount or percentage-based fee that is agreed between you and us and paid by you via your product;

(For example. for an investment of \$500,000 with a percentage based fee of 0.99%. This would be \$4,950pa.)

3. For services in relation to life insurance, commissions will be paid by the product provider as follows:

- i) Initial commission - a percentage of the first years' insurance premiums; and
- ii) Ongoing commission - a percentage of the 2nd and subsequent years insurance premiums

(For example. for life insurances and other risk insurances: up to 66% of the initial annual premium as an initial commission and up to 22% of the ongoing annual premium as a trailing commission. If the annual premium for a life insurance policy is \$1,000, your Adviser may receive \$660 in the first year and then \$220 each year thereafter)

Allan does not receive 'soft dollar' (ie non-cash) payments for amounts greater than \$300 from any third party.

We generally do not pay referral fees to a third person however if we do, these fees will be detailed in your SOA.
